

Application No. 10/713,777  
Comments on Statement for Reasons for Allowance and Amendment After  
Notice of Allowance Under 37 CFR § 1.312 dated April 30, 2010  
Reply to Examiner's Amendment of February 17, 2010

**REMARKS/ARGUMENTS**

Applicants thank the Examiner for the Notice of Allowance mailed February 17, 2010 and hereby submit Comments on Statement for Reasons for Allowance and Amendment After Notice of Allowance Under 37 CFR § 1.312, and a Supplemental Information Disclosure Statement along with payment of the Issue Fee. Claims 4-7, 12-14, and 18-30 are allowed, claim 4 is hereby amended, and claims 1-3, 8-11, and 15-17 stand cancelled.

Further to the Examiner's Amendment of February 17, 2010, upon closer review, Applicants note that it is necessary to amend claim 4 under 37 CFR § 1.111(c). The language as previously agreed to would render claim 1 meaningless. The revised language better presents the intent of the amendment and is consistent with the language of allowed claim 18. Applicants assert that the proposed claim amendments do not require any additional search or examination.

A Japanese Office Action for copending Patent Application No. JP2003-207575 filed August 14, 2003 was mailed March 2, 2010 from the Japanese Patent Office and received in the undersigned's office on April 9, 2010 (copy of datestamped letter attached). Applicants hereby submit a Supplemental Information Disclosure Statement to disclose the art cited in the aforementioned Japanese Office Action, to be placed on file for the referenced U.S. application.
